CIVIL SERVICE COMMISSION PROVISION REGARDING REINSTATEMENT:

ARTICLE VI. Section 6.10-10. REINSTATEMENT FOLLOWING RESIGNATION. Any person who has held a classified position and has resigned from the service in good standing and without fault or delinquency will, upon Council approval of a request, be placed on the proper reinstatement list below those on the list because of layoff or job abolishment. Such requests must be made within one year from the date of resignation, except as provided in the Rules. Not more than one reinstatement after resignation may be granted any employee.

c. Upon a determination that a former employee has resigned in good standing, the Council, after receiving a recommendation from the Commission, shall approve the request for the former employee to be placed on a reinstatement list, conditional on the person's passing a medical examination and background investigation, if required by the Commission or Council. Said medical examination must be performed by a physician acceptable to the Council in accordance with the physical specifications established for the position.
